FAIRNESS

CLARITY

We are not unnecessarily complicated. We like clarity in thought and action.

We formulate without interpretations. Through our answers we do not raise any new questions.

OPENNESS

We ALL contribute to a lively enterprise, which is ready to learn when developing and changing the right things.

We address abuses immediately and openly. All in all, we are a learning company.

FAIRNESS

We talk to each other, not about each other. We act fairly and confidently both internally and externally.
