

Import Control System (ICS) for airfreight shipments.

For deliveries to:

A. Eberle GmbH & Co. KG
Frankenstr. 160
DE-90461 Nürnberg
Germany

Phone: +49 911 628108 - 0
E-mail: info@a-eberle.de

Dear customer,

In order to avoid delays during import clearance of your shipment please include the following information in your proforma invoice

- 1) Number of boxes/packages and weight.
- 2) Precise material description, mentioning article-no. and serial-number if possible.
- 3) The first four digits of the **HS codes / customs tariff no.**

For voltage controllers REG-D(A) / REG-DP(A), systems
and accessories for these devices:

90328900

For Earth fault indication devices and systems,
power quality devices and systems (EOR-D, EOR1DS,
EOR3DS, EDCSys, PQI-D(A), PQ Box, PQI-DA smart)
and accessories for these devices:

90303200

Current Injection unit CIF

85045000

LVRSys Low Voltage Regulation System

85371098

- 4) Complete address of consignor and consignee.
- 5) Our EORI-No.: DE 3485676.
- 6) When returning a faulty product, notify us prior to return.
You will then get an RMA number (return of material authorisation) from us which should be mentioned in all documents.
Don't forget to describe the fault.

Thank you for your cooperation.

Should you have any further questions, feel free to contact us by e-mail: **info@a-eberle.de**
